Greeting

#Praise & Worship “The Healing” by Blanca & Dante Bowe

#Call to Worship

Leader: When we have been cast aside in the deserts of our lives,

People: you open our eyes to life-giving water that sustains us in our need.

Leader: When our future seems lost and others have taken our place of honor,

People: you restore our hope and promise us an inheritance of our own.

Leader: Who is like you among the gods?

People: Who answers prayer in times of deepest need?

Leader: We are here to worship you, O God,

All: for you alone can save us.

#Opening Prayer (Unison)

Eternal God, turn and be gracious to us, for the road is long and we are weary. We feel beaten down by the trials of life and need your strength to sustain us. Show us your favor, and offer us your blessing, that we may abide in faithfulness and not be put to shame. Comfort us and revive our souls. Grant us the endurance to take up our cross, and follow the difficult roads in life. Amen.
